PATENT APPLICATION

ASSIGNMENT

WHEREAS, I, Shane Behbahany, of Milwaukie, Oregon, have made inventions described in a United States patent application entitled **CHAINSAW BAR TENSIONING APPARATUS**, filed with the United States Patent and Trademark Office on November 14, 2003, and allotted Application No. 10/713,293.

WHEREAS, Carlton Company, an Oregon corporation, having a place of business at 3901 S.E. Naef Road, Milwaukie, Oregon 97267, is desirous of acquiring an interest therein:

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, I, Shane Behbahany, hereby sell, assign, and transfer to Carlton Company the full and exclusive right, title, and interest in and to said inventions, said patent application, and any and all patent rights and letters patent for said inventions in the United States and elsewhere throughout the world, including foreign patent priority rights and the right to apply for patents in foreign countries in my name or in the name of Carlton Company, and further including all divisions and continuations of said application and of any foreign patent applications and all reissues and extensions of patent rights and letters patent for said inventions, all to be held and enjoyed by Carlton Company, for its own use and benefit, and by its successors and assigns for their own use and benefit, for the full duration of the terms for which patent rights and letters patent may be granted in this or any foreign country, and covenant that I have full right so to do, and agree that I will communicate to Carlton Company, and its successors and assigns, any facts known to me respecting said inventions, and testify in any legal proceeding, sign all lawful papers, execute all lawful divisional, continuation, and reissue applications, make all rightful declarations or oaths, and do everything lawfully possible to aid Carlton Company,

and its successors and assigns, to obtain and enforce proper patent protection for said inventions in this or any foreign country.
